ABOUT US

Aquiras Global Supply LLP is an India-based export company specializing in the supply of high-quality products to global markets, including Europe and the United States.

With a strong sourcing network and deep industry expertise, we are committed to delivering consistent quality, competitive pricing, and dependable supply solutions to our international partners.

We focus on building long-term relationships by maintaining transparency, reliability, and professional service standards across every transaction.

OUR CORE PRODUCT SEGMENTS

- * Fishing Tackle & Angling Accessories
- * Dried Flowers & Natural Decorative Products
- * Fly Tying Tools, Wooden Hobby Kits & Handcrafted Wicker Baskets
- * Equestrian Goods

OUR APPROACH

At Aquiras Global Supply , we operate with a clear focus on bulk export supply and long-term partnerships.

We understand the expectations of international buyers and ensure:

- ❖ Consistent product quality
- ❖ Competitive and stable pricing
- ❖ Efficient production and delivery timelines
- ❖ Professional communication and service

Fly-fishing

The image shows a clear plastic tackle box filled with various fly fishing lures and flies. The box is open, and the contents are visible. The lures include different types of flies, some with feathers, and other fishing gear. The box is placed on a surface with autumn leaves, suggesting an outdoor setting. The text 'Fly-fishing' is written in a stylized, italicized font within a dark oval with a yellow border.

OUR APPROACH

At Aquiras Global Supply LLP, we operate with a dedicated export-driven model focused on bulk supply and strategic partnerships.

We ensure:

- ❖ Consistent and controlled product quality
- ❖ Competitive and sustainable pricing
- ❖ Timely production and delivery execution
- ❖ Clear, professional, and responsive communication

GLOBAL MARKET FOCUS

- * United Kingdom
- * European Union
- * United States
- * Other Global Markets

OUR STRENGTHS

- * Established sourcing and manufacturing network across India
- * Proven expertise in handling bulk export orders
- * Flexible and scalable production capabilities
- * Strong command over export logistics, documentation, and compliance

WHY CHOOSE AQUIRAS GLOBAL SUPPLY

- ❖ Export-focused business structure
- ❖ Specialization in bulk supply
- ❖ Reliable and transparent supply chain management
- ❖ Strict quality control at every stage
- ❖ Long-term partnership-driven approach

OUR COMMITMENT

To be a dependable global sourcing partner by consistently delivering quality, value, and reliability in every shipment.
